

Train the Trainer Series (continued)

Co-sponsored by Missouri Health Care Association & Missouri Association of Nursing Home Administrators (MANHA)

State Examiner Workshop

Purpose & Objectives

For those CNA Instructors who wish to become State Examiners, this workshop will complete the Missouri requirements.

Upon completion, the attendee will be able to:

1. Identify Missouri Department of Health and Senior Services requirements and regulations for nursing assistant training
2. Utilize appropriate testing methods
3. Sign an agreement with the State of Missouri to become a State Examiner (agreement signed at completion of workshop)

Criteria for a State Examiner

1. Registered Professional Nurse currently licensed in the State of Missouri
2. Shall have taught a similar course or be qualified to teach similar course
3. Shall be approved by the Missouri Department of Health and Senior Services to administer final examination of the state-approved nursing assistant training curriculum and shall have signed an agreement with the Missouri Department of Health and Senior Services to protect and keep secure the final examinations (agreement signed at completion of workshop)

Certificate of Attendance

In order to receive a certificate, you must attend the entire workshop. Upon successful completion, a certificate will be mailed to the facility or individual that paid for the course. *Certificates cannot be issued until full payment is received.*
