The fee for processing the background check is \$13.00 per check. We implemented a prepayment for Criminal Background Check service at the end of 2005. We would require you to send a \$100.00 minimum payment to start this service and this could go up depending on the amount of CBC's that you do in a month. We will invoice and send statement at the end of the month for this process and advise you at that time if you need to send more funds to keep the account in a positive balance.
