## ROP Phase 2 Getting It Done by November

This session will break out Phase II requirements and provide resources, plans, tools and ideas for getting your facility ready for new compliance challenges such as replacing lost dentures, meeting new smoking requirements, reporting crime requirements, Antibiotic Stewardship, QAPI Plans, changes to discharge planning, development of the baseline care plan, completing a facility wide assessment and developing staffing around the assessed need. Again, you might want to bring your policies associated with these areas as the session will be interactive. We will review SOM guidance and discuss necessary changes to meet the new requirements.

### PRESENTER

**Cheryl Parsons** is a registered nurse, long-term care administrator, former skilled facility owner, author, long-term care consultant, speaker and informal dispute resolution reviewer. She has over 36 years of combined nursing, administration, ownership and consulting experience in the industry and has received awards in recognition of her accomplishments and dedication to improving long term care. Cheryl speaks passionately about person-centered care and has dedicated a large part of her speaking career to motivating providers at all levels to leave the institutional model behind. She has published two books, "The Core Building Blocks of Quality in LTC," and "The Crucial Role of Social Services in Long Term Care." In addition she has prepared and spoken on over 500 seminar programs on various issues which challenge the industry. In July of 2011 she began work with Primairs, Missouri's Quality Improvement Organization, as an Informal Dispute Resolution Reviewer.
