RAI Process from Start to Finish

Purpose

This workshop will look at the RAI process from beginning to end. The MDS is used for both a clinical assessment and a financial assessment and this workshop will discuss the rules on scheduling these assessments and meeting the requirements individually and combined. Item-by-item coding will be reviewed. From coding the MDS, we will then look at the CAA to care plan process.

Who Should Attend

This workshop is for individuals in long-term care who coordinate and/or code the MDS. Typically, this is an RN or LPN with the title of MDS Coordinator or Care Plan Coordinator. This is also for the DON or ADM who needs a better understanding of the complexity of the RAI process.

Objectives

1. Describe the RAI process.
2. Describe the required forms and schedule completion of the RAI process.
3. Review MDS items that are reflected in PPS reimbursement.
4. Complete the RAI, including MDS, CAA, and care plans.
5. Identify mechanisms for effective communications, as well as remaining current with the RAI process.

Medicare from Start to Finish

Purpose

This one-day workshop will begin with how to gain access to and read the MDS reports from CASPER in order to self-audit your RAI process. The completion of the MDS is becoming more and more difficult and confusing. This workshop will help the MDS coordinator and other members of the interdisciplinary team to understand the admitting criteria and the ongoing documentation needs of the Medicare resident. The RAI process in relationship to Medicare is also confusing and errors can be a financial nightmare for facilities. This workshop will help clear up the confusion surrounding this process.

Who Should Attend

This workshop is geared towards those individuals working in long-term care who have a leadership role such as the ADM, DON, ADON, or MDS coordinator.

Objectives

1. Utilize the CMS CASPER reports for quality improvement, to self-audit the RAI - MDS process
2. Identify admitting criteria for a skilled resident
3. Setup the schedule for PPS MDS's
4. Differentiate between skilled and non-skilled services
5. Differentiate consolidated billing and non-covered care

Agenda

(6.75 A clock hours)

8 a.m.	Registration
8:30 a.m.	Accessing CASPER
8:55 a.m.	How to Use the Reports
9:45 a.m.	Break
10 a.m.	History of Medicare A and Specific Criteria for Admission
12 p.m.	Lunch (provided)
12:45 p.m.	Schedule for PPS
2:15 p.m.	Break
2:30 p.m.	Scheduling PPS
3:30 p.m.	Break
3:45 p.m.	Medicare Audits
4:45 p.m.	Adjournment

Speakers

Carol Siem, MSN, RN, BC, GNP, Clinical Educator, University of Missouri-Sinclair School of Nursing. She provides clinical consultation to Missouri nursing homes and has more than 35 years' experience working with the geriatric population in hospital-based skilled nursing facilities and acute rehabilitation units. A member of the MU-MDS Quality Research Team, Carol frequently presents on various topics throughout the state. She served on the Board of Directors for AANAC, and was Chair of the Board for three years. AANAC represents more than 16,000 individuals working in long term care.

Stacey Bryan, BSN, RN, RAC-CT, State RAI Coordinator and Surveyor, Missouri Department of Health and Senior Services' Section for Long-Term Care. She worked as a surveyor prior to being Missouri's State RAI Coordinator. She is a resource for your questions on the RAI process.
