

# 2018 EDUCATION SESSIONS

## **Train the Trainer Series (continued)**

*(Held in Partnership with MANHA)*

### **CMT Instructor Workshop**

#### **Purpose & Objectives**

This state-required and Missouri Department of Health and Senior Services-approved workshop is designed to prepare RNs to instruct Medication Technician students for long term care facilities in Missouri.

Upon completion, the attendee will be able to:

1. Identify Missouri Department of Health and Senior Services and Department of Elementary and Secondary Education requirements and regulations for the Medication Technician training
2. Utilize appropriate testing methods
3. Determine appropriate curriculum
4. List requirements of examination and registration process

#### **Criteria for CMT Instructor**

1. Currently licensed to practice as a Registered Nurse in the State of Missouri with at least two (2) years experience
2. Shall meet state certification requirements
3. Hold a current teaching certificate from the Department of Elementary & Secondary Education, Division of Career & Adult Education
4. Be responsible to a sponsoring education agency: area vocational school, comprehensive high school, community or junior college

#### **Train the Trainer Instructor**

**Susan Callison, RN** (*CMT Instructor*) - Susan started her career as a CNA, continuing her education to become a Registered Nurse. During her time in nursing school she worked in both long term care and acute care facilities, giving her additional experience in the industry. Susan has been employed the past 25 years at SSM Healthcare where her duties include patient care, charge nurse responsibilities, education coordinator and more.
