

Medicare from Start to Finish

Due to the COVID-19 pandemic, the Medicare From Start to Finish courses are now being offered as virtual workshops!

Cost: \$155 per person | 6.0 Admin hours

This 2-day, 3-part virtual workshop will begin with how to gain access to and read the MDS reports from CASPER in order to self-audit your RAI process. The completion of the MDS is becoming more difficult and confusing, this workshop will help clear up the confusion surrounding this process. This workshop is geared towards those individuals working in long-term care who have a leadership role such as ADM, DON, ADON, or MDS Coordinator.
