The banner features the title "Trauma-Informed Care" in large purple letters, followed by "Nursing Home" in blue, and "Responsibilities & Plan of Action" in large purple letters. Logos for the Missouri Association of Nursing Home Administrators (MANHA) and the Missouri Health Care Association (MHCA) are positioned at the top.

## Trauma-Informed Care: Nursing Home Responsibilities & Plan of Action

Administrators, DON's and Social Service Staff where are you in the process of developing a Trauma Informed Care culture in your facility and the supporting policy and procedures.

We were in the process of bringing this third part of the mega rule to our facilities when COVID hit and like many other changes it may have got pushed to the back of the priority list.

As COVID lets up and state surveyors resume their work this area is going to be a focus because it was due in the fall before COVID took over.

We will review the regulatory requirements, available resources and necessary policy and procedure changes to keep your facility on the right side of Trauma Informed Care Compliance
